

MDS core values

Service to Others	Our roles are based on 'Christ centred service to all'. We show love and kindness whilst walking alongside people. We serve in many different ways and give selflessly.
Spirituality	Spirituality underpins the work that we do – it is fundamental.
Team work	When working as part of a team we are committed to valuing each member, treating people with respect, encouraging the contribution of others and recognising their efforts.
Passion	We are passionate about what we do and why we do it.
Integrity	We live out our faith with integrity. When we work with integrity others are drawn to us and without personal integrity we will not be heard by those we serve.
Authenticity	People feel more comfortable around those that are authentic – we need to be ourselves!
Commitment and dedication	We are committed and wholeheartedly dedicated to the work that we do.
Compassion	We show empathy and take it a step further by demonstrating a desire to help – compassion.
