Connect with an Interfaith Buddy Wednesday 11 November, 10-11 am

Connect with someone from a faith or belief other than your own during SIFW and beyond! At the Zoom event you will be paired with a buddy for a one-to-one conversation about their faith or belief. You may wish to take this forward and meet again over the next few weeks. If you can't attend the event but would like a buddy we can organise that for you too!

To sign up to the scheme fill in the Google form at <https://bit.ly/3jEEnD5> by Monday 2nd November giving your name, age, belief and gender.
