

# The Science of Nature, the Science of God

What does it mean to call the study of God a 'science'? Is it 'science' in the way the study of nature is? In this series we will reflect on ways that our understandings of God and the natural world are interrelated and how better thinking about God might help us to think best about the natural world.

## **SATURDAY, 28 JANUARY**

What is a science? Thinking about the study of God and of nature as 'science'.

## **SATURDAY, 25 FEBRUARY**

Science and Creation

## **SATURDAY, 25 MARCH**

Science and Miracles

**ALL SESSIONS RUN FROM 9:30AM-12:30PM
