Quiet Day

Saturday 5 April 2025
10am—4pm

An opportunity to spend some time prayerfully pondering the events which unfolded in the week leading up to Jesus' crucifixion.

Facilitated by Sheena Hogg, the day will involve listening to some 'found poetry' (words and phrases collated from everyday life) before making your own creative prayer - materials and suggestions provided. You do not need to be 'good at' poetry, art or prayer. This is as much about the process as any finished product you may produce.

£55 for the day, including lunch and refreshments.
